Professional Summary

Junior Full Stack Web Developer specializing in React, Next.js, and TypeScript, with experience developing personal projects showcased on my portfolio and GitHub, and continuously improving my skills. I'm looking to join a team where I can continue to grow as a developer and contribute effective solutions.

Technical Skills

Frontend: React, Next.js, TypeScript, JavaScript, Tailwind CSS, Material UI, HTML5, CSS3, Redux Toolkit, React Router

Backend Knowledge: Node.js, Express, REST APIs

Databases / ORM: MongoDB, SQL, Mongoose, Prisma

Tools: Git, GitHub, Postman

Projects

Hardware E-commerce Platform (In Development)

Demo • GitHub Repository

E-commerce platform for hardware developed with Next.js and TypeScript. Authentication with NextAuth, global state management with Redux Toolkit, and a shopping cart with persistence (LocalStorage) and database validation. API backend integrated with PostgreSQL using Prisma ORM. Search with debounce and basic filters. Checkout/payments using PayPal. Roadmap: and PC Builder.

MERN Recipes Social Network (Fullstack)

Demo • GitHub Repository

Full-stack social platform built with React, TypeScript and MongoDB. Implemented JWT authentication, full CRUD operations, image uploads with Cloudinary, dynamic forms, filtering, pagination, favorites, comments, and dynamic rating system.

Task Manager Application

Demo • GitHub Repository

Task management app built with React and TypeScript featuring dynamic due-date prioritization, visual urgency indicators, persistent state via LocalStorage and date handling with date-fns.

Additional projects and ongoing work available at:

Portfolio • GitHub

Education

Universidad Nacional de Misiones — Systems Analyst Degree (22/26 courses completed)

Courses

Front End Training — Oracle Next Education (Alura)

React.js Course — Udemy

Node.js Course — Udemy

Databases: MySQL — Udemy

Next.js Course — Udemy

Work Experience

Administration and Operations — Family Business (Wood and Metal Workshop) (Jul 2021 – Jan 2026)

Internship — Data and Network Security Audit (Sep 2019 – Dec 2019)

Languages

Spanish — Native

English — Upper Intermediate (B2)
